

## Charity Work

GreenLotusHealth will be donating 5% of its income from the shop towards the very important work of <https://www.templestreet.ie/>

<https://www.templestreet.ie/> Children's Health Foundation Temple Street exists to support the vital, life-saving work that happens in CHI at Temple Street - every minute of every day.

Every customer who purchases our products, whether it be once, twice or ten times a year, is helping us to try and help those who are much less fortunate than ourselves.

Every time you purchase from us, you are potentially helping someone else. We believe this is a sound business model: one that we are very proud of and one that hopefully, in time, will achieve the goals we have set ourselves, to improve the health of the nation and the rest of the world too!
